The Family & Friends CPR course is an entry-level class that teaches you how to perform CPR and how to help a person who is choking. You will learn to perform these techniques on adults, children and infants. The optional First Aid portion teaches how to manage illness and injuries in a child for the first few minutes until professional help arrives. This course is of particular interest to new and expectant parents, relatives, babysitters and seniors. The CPR for Family & Friends program is conducted according to the guidelines of the American Heart Association. Chilton Memorial Hospital is accredited by the American Heart Association as a CPR Training Center.

Course Fee: \$30.00 Individual \$50.00 per Couple. Senior rate \$15.00 per person \$30.00 per couple. This is not a certification course, you will receive a participation card.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for such a course, except for a portion of fees needed for AHA course material, do not represent income to the Association.

Cancellation Policy: Refund in full up to 10 days prior to the class, minus book fee (\$10.00). No refunds will be issued after that time. Tuition may be applied to a future class. Chilton Memorial Hospital reserves the right to cancel any course for which minimum enrollment numbers are not met. A full refund will be issued should that occur.
